

# Pinnacle™

*Syzygium australe* 'AATS' (D)

## ADVANCED TREES

Pinnacle™ *Syzygium* is a very narrow growing native tree for tight areas, providing a sculptured design for impact.

- Retains a compact upright form which makes it excellent for hedging, screening or compact planting zones such as town houses.
- Pinnacle™ *Syzygium* can reach over 8m in height but is usually smaller in cultivation—can be pruned down to 2m.
- Leaves are rounded, bright and glossy green with attractive contrasting reddish brown new growth.
- Pinnacle™ *Syzygium* has white duster flowers followed by large, fleshy, red/pink delicious tasting fruits in profusion.
- Suits most soils but prefers moist conditions.
