eco-seaweed®

SUPER CONCENTRATED SEAWEED POWDER

The best seaweed tonic for strong healthy plants

TREATS UP TO 6,000m²

WHY PAY FOR WATER? ADD YOUR OWN AT HOME

NET CONTENTS
600 g

Pure concentrated seaweed powder with over 60 vital nutrients for better plant health and growth

Use eco-seaweed to:

- stimulate better growth
- stimulate flowering & fruiting
- encourage root development
- reduce transplant shock
- reduce plant stress
- improve disease resistance
- improve heat and cold tolerance
- boost soil health

This jar makes 1,200 litres of solution and treats up to 6,000m²

DIRECTIONS FOR USE

Dosage Rate
9L watering can = 1 teaspoon
2L hose-on refill = 4 teaspoons

Dissolve in water and apply either as a foliage spray or water into the soil.

Always reseal the container to prevent moisture absorption.

SITUATION	FREQUENCY
New Lawns, Seedlings & Transplanted Plants	Weekly until established
Sick & Stressed Plants	Weekly until recovered
General Maintenance of Pot Plants, Garden Beds, Lawns, Veggie Patches etc.	Every 2-4 weeks

Perfect for use on all plants including natives, vegetables, lawns and flowering plants.
