

# Amethyst™

*Liriope muscari* 'LIRTP' (b)

## HARDY EXOTIC PLANTS

Its stunning, deep purple flowers that sit well above the foliage are a real highlight.

- Early in the season, the flowers sit a little above the foliage. Later in the season they will sit higher.
- Amethyst™ Liriope grows well all over Australia, including the hot, dry regions and bitterly cold areas like Canberra.
- A clean foliage plant that has reasonably good winter colour compared to other Liriope.
