

# Silverlawn™

*Liriope muscari* 'LIRSS' (b)

HARDY EXOTIC PLANTS

## A low growing Liriope with clean variegated foliage.

- Silverlawn™ Liriope has delicate cream and green variegated foliage that looks almost silver from a distance.
- This Liriope makes a great garden feature when planted in a group, contrasting against other plants.
- Like most Liriopes, the Silverlawn™ plant benefits from being cut back once a year in winter to make way for fresh new growth.
