

Know Your Dianellas

1

1. Lucia™ *Dianella caerulea* 'DC101' PBR

Low growing, excellent spreading Dianella. Best spreading Dianella for roadsides/median stripes, low cost ground cover option. 30–40cm H x 50cm W

2

2. Little Jess™ *Dianella caerulea* 'DCMP01' PBR

Best selling Dianella, almost a decade of proven performance. Dwarf, clumping growth habit. Very short compact canes, low maintenance. 40cm H x 40cm W

3

3. Revelation® *Dianella revoluta* 'DRG04' PBR

Best performing Dianella through recent wet. Cleaner blue green foliage with more flowers. Can survive on natural rainfall. 50cm H x 50cm W

4

4. Tasred® *Dianella tasmanica* 'TR20' PBR

Tough, adaptable & reliable. Best performing, biggest selling Dianella tasmanica in Australia. Great colour contrast. 50-60cm H x 65cm W

5

5. Clarity Blue™ *Dianella hybrid* 'DP401' PBR

A cross between Cassa Blue® and Utopia® Dianella. Clean blue foliage with a clumping habit. Handles periodic wet feet. 55cm H x 45cm W

6

6. Breeze® *Dianella caerulea* 'DCNC0' PBR

Tidy 'no-cane' variety. Tough ground cover plant. Great for erosion control. Fast establishing, spreads quickly, outcompetes weeds. 60–70cm H x 60–70cm W

7

7. Wyeena® *Dianella tasmanica* 'TAS300' PBR

Striking variegated clean foliage. Robust, outcompetes weeds. Very good frost tolerance. Great background plant. 80–90cm H x 80–90cm W
