

Calm-o-mile™

Matricaria chamomilla 'MAC01' (b) Intended

HARDY EXOTIC PLANTS

Lawn alternative, bred for Australia's tough conditions.

- Chamomile *Matricaria chamomilla* is great for reducing weed invasion.
- It is commonly used as a lawn alternative in shade, courtyard settings and amongst pavers.
- Chamomile grows best when the ground is flat.
- Amazing in the heat. Also thrives in semi-shade, in the cold, and flood water.
- Chamomile gives off a nice, relaxing fragrance.
