

All Seasons Pink™

Mandevilla spp 'MANDI308' PBR Intended

HARDY EXOTIC PLANTS

A more cold tolerant Mandevilla with vibrant pink flowers.

- All Seasons Pink™ Mandevilla is tougher and more cold tolerant than other Mandevillas allowing you to enjoy its hot pink blooms for more of the season
- An excellent splash of colour in pots or as a decorative screen across fence lines and archways. Adds instant tropical appeal to the garden.

Description	A climber with large flowers
