

Thin Red™

Photinia X fraseri 'NP01' (L)

HARDY EXOTIC PLANTS

The solution for screening in narrow spaces with red new growth.

- Thin Red™ Photinia is a narrow hedging plant with beautiful red new growth foliage.
- Perfect for narrow spaces, or for hedging where more space is desired for increased usable recreation space.
- When it reaches the desired height (e.g. 2.4 metres) continue to cut at that height
